Things I Learned from My Unpaid Internship:

Summer 2k14 Recap

The Gorilla Gazette's takes on the summer's biggest stories

Ice Bucket Challenge: More like Ice F*ck It Challenge, am I right?! Is anyone else tired of Stop Kony-style slacktivism? Yeah, we all know that "ASL" is a huge problem that you care SO much about. Our idea of an ice bucket challenge is chilling down a nice bottle of white wine in an ice bucket. The challenge is waiting till it's fully chilled before drinking it.

Ebola: Great, another epidemic to worry about. We've read *The Hot Zone*, and this is NOT something that we are looking forward to.

ISIS: Things really are going to hell in a handbasket, aren't they? If Ebola isn't keeping you up at night, surely ISIS will haunt your dreams.

Ferguson: Seriously, was this summer especially terrible, or do we all just have short memories?

Ukraine: Just when you think it can't get worse, violence breaks out in Eastern Europe.

Israel/Palestine: No continent is safe! Next we're going to hear about some terrible thing that happened in Antarctica.

*Proposed Summer 2014 slogan: Sh*t Happens*

"Look, I'd rather be free, too, but at least we're not in a zoo anymore."

Quiz Answers

If you answered mostly A's...
You're the lazy unpacker. Your stuff is still in boxes and will remain so until... indefinitely. At least it will make move-out easier!

If you answered mostly B's...
You're the compulsive unpacker. Your room was fully set up, with boxes were collapsed and neatly tucked away, less than 12 hours after you moved in.

If you answered mostly C's...
You're an ascetic/buddhist monk. Earthly possessions do not concern you.

Shopping Week Tips

- Don't go to any classes this week. Shopping week doesn't count.
