## Overheard in Mather: Shuttle Stop Relocation Edition

*Is nothing sacred?*

"Now I definitely won't be able to make it to class on time."

"The shuttle sprint just turned into the shuttle 5k."

"So that's what that white tent is!"

"Where is Grant Street?"

"If I'm walking that far already, I might as well not take the shuttle."

"Six weeks for utility work? They better be paving the streets with gold."

"Block parties everyday!"

"DUNSTER!!! >:( "

Don't forget to attend Happy Hour this week! The theme is Oktogafest: Cowperthwaite Memorial. So come in a toga, or black (to mourn the closing of Cowperthwaite Street), or a black toga (to kill two birds with one stone).

### **Airbnb meets GG**

*We're hard-up for cash, but not for long! The Gazette's breaking into the real estate biz.*

**Cambridge Hideaway:** One quiet room w/ panoramic views of the Charles and Boston. You will have to share the bathroom with five lovely, smart girls. Breakfast, lunch, and dinner provided (buffet-style!). Take a walk in our private courtyard, gaze at the ivy covered walls. You'll love this academic retreat!

**Suburban Splendor:** Enjoy a blast from the past in this room that will bring you right back to your childhood. Marvel at the pristine doll collection, kept in a glass display case. Spend your free time in the family room—the TV is as deep as they come. You'll enjoy your stay with two very loving, if a tad overbearing, homeowners. Dinner included, but the kitchen closes at nine o'clock, and you've got to put your dishes in the sink.
