“I hate all of you”

“Exit’s that way - the door that says exit only.”

*setting up the dining hall at 4 am after Lather ended*  
Person 1: “Where the fuck are these supposed to go?”  
Person 2: “Uh, where the tables normally are”

## Quiz Answers

If you answered mostly A’s, you are an overeager prefrash. Might want to wipe that foam from the corners of your mouth.

If you answered mostly B’s, you are a party hardy prefrash. Your liver is probably clamoring for a break.

If you answered mostly C’s, you are an apathetic prefrash. We’d give you another sentence of description, but you’ve probably already stopped reading because so over it.

## Poetry Corner

To the person who recalled my book:

This might not sound quite right,  
but two dollars per day  
is a small price to pay  
to peruse my books all night.

A limerick to the same person:

There once was a book from Lamont  
with words written in 12-point font  
it soon was recalled  
and I was appalled.  
Now, towards fines I am nonchalant.

## Lies to Tell Your Visitas Prefrosh

“Winter’s the shortest season here”

“I regularly go into Boston”
